Developing Excellence in
Medical Education Conference

demec.org.uk

Monday 27 - Tuesday 28 November 2017

Manchester Central Conference Centre, Manchester, UK

Who should attend?

- all those involved in medical education and training at postgraduate and undergraduate level
- those involved in CPD in medicine
- those interested in integrated training
- medical students or trainees interested in medical education and postgraduate training
- nurses, midwives and allied health professionals interested in inter-professional learning
- researchers
- managers
- policy makers

Programme

The programme will cover a wide range of topics and include plenary lectures, workshop sessions, posters and exhibition. Topics to be announced.

SAVE THE DATE

For the second time, the leading organisations in medical education and training across the country will come together to deliver another joint national Medical Education conference in the UK.

This provides an exceptional opportunity for pressurised clinicians to come together in a single conference to drive current thinking in the field of medical education and training.

For more information visit:
demec.org.uk

Accreditation for study hours will be applied for via the Royal College of Physicians

Organised and hosted jointly by

ACADEMY OF
MEDICAL ROYAL
COLLEGES

COGPED

Committee of GP Education Directors
